

PASTURE SUMMIT

AUTUMN EVENT 2025 – NORTH OTAGO

Focus: Achieving High Profit and Keeping Management Simple

OVERVIEW:

Pasture Summit is holding an on-farm event in the Waitaki Valley this Autumn, hosted by farmers for farmers, sharing ideas and developments on achieving profitable dairy food production. We're in the business of turning grass to milk to cash - it's our key competitive advantage. Our host farmers are focused on achieving strong bottom-line financial performance and growth. They will present their costs and returns and discuss their farm management strategy to drive profit now and into the future.
